

## NCC FALL 2021 - COVID Safety Plan

### Safety Precautions

- Vaccinations are required by all chorus participants. When available, and subject to the recommendation of health officials, booster shots will be required as well 6 months from your full vaccination date.
- Masks will be worn at all times while inside the building.
- Hand sanitizers will be provided at the door to the rehearsal room.
- Assigned seats will be distanced at least 3 feet apart.
- Singing for 50 minutes followed by a break for 10 minutes concluding with another 30 minutes of singing.
- Break will be taken in the hallway outside the Black Box with 3 feet of social distancing and masking observed.
- Attendance will be taken to comply with the need for prompt contact tracing if necessary.
- NCC requires that members follow CDC guidance around how to manage symptoms or exposure:
  - Quarantine if you have been in close contact (within 6 feet of someone for a cumulative total of 15 minutes or more over a 24-hour period) with someone who has COVID-19, unless you have been fully vaccinated. People who are fully vaccinated do NOT need to quarantine after contact with someone who had COVID-19 unless they have symptoms. However, fully vaccinated people should get tested 3-5 days after their exposure, even if they don't have symptoms and wear a mask indoors in public for 14 days following exposure or until their test result is negative.
- If you have signs of illness, please do not attend rehearsal.

### Rehearsal Location

- Academy Black Box: on the right before you reach the band room
- Air exchange system complies with recommended guidelines

### Rehearsal Procedures

- To reduce exposure, all registration and membership dues payment will be done in advance, online, via the NCC website [www.northcountrychorus.org](http://www.northcountrychorus.org)
- Each member will self-check and record their temperature in a log book on entry to the black box.
- Vaccine card will be checked at your first rehearsal.
- Pick up your music packet and find your assigned seat.
- Because it will be hard enough for Alan to hear us since we will be masked, no talking during rehearsals please.
- Personal water bottles only.

### Personal Responsibility

- I have updated my member page on the chorus website to ensure my contact information is current.
- **I have read this policy and agree to adhere to the precautions and procedures outlined to help us be responsible and healthy as a community.**
- I am more than 2 weeks past my full vaccination for COVID-19.
